

Topographic map of Garapan, Guam, showing the proposed water quality area of interest. The map includes contour lines, roads, and various landmarks. A red dashed line indicates the half-mile buffer, a purple shaded area shows the AMME Park boundary, a yellow line marks the 120-foot depth, and blue areas represent water bodies. A red solid line outlines the proposed water quality area of interest, which covers the coastal area from Punta Muchot to the southern tip of the island, including the AMME Park and surrounding residential and commercial areas.
